

Principal's Message

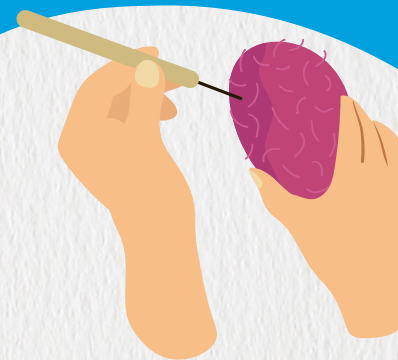

Creative schools month has been a wonderful time for our school and it won't end in February! Rehearsals are well under way for our senior school musical Annie. Many children have signed up for it and are excited to bring their talents to the stage at the beginning of June. Watch this space!

Lego Day

The children displayed amazing Lego creations on both days. It was fantastic to see the creativity and effort the children went to. It was also wonderful to welcome parents to come to our hall and library to see the Lego.

Creative Schools

February is creative month! Lot of classes have been involved in creative activities. The artist Ed Devane brought classes on village sound walks. We are also learning how to create with felt, working together creating a school felt installation.
